Role and Job Description of the Research Assistant

We are looking for a researcher for a **part-time** temporary position for the post of Research Assistant at the **Centre for Lifelong Learning (CLL)**, Tata Institute of Social Sciences, Mumbai Campus.

The required skills of the candidate should be someone who understands DMT (Dance Movement Therapy) and has had past research experience. The job involves both secondary and primary data collection in the study called '**SCOPE OF DMT IN AN URBAN SETTING: A STUDY IN MUMBAI & KOLKATA**' through phone interviews and a few visits, if the time and situation permits. The person should be able to function independently, possess good communication and documentation skills.

Qualification

- A Master's degree in Social Work or Social Sciences/Humanities or any related field
- Good documentation skills.
- Fluency in English/Hindi is a must
- Proficiency in Internet and computer use
- Clear written and verbal communications skills
- Strong research and analytical skills
- Ability to stay organized, meet deadlines, and work well with the team

Duration of Appointment

The person will be appointed on a part-time assignment basis to work on this project, from April 2023 to March 2024 (1-year contractual appointment)

To Apply:

Please send in your application consisting of the following suhani.patwardhan@tiss.edu

Cover letter explaining why you think you are suitable for the job

- Résumé, of not more than 2 pages
- Samples of experience of relevant work in research and data analysis

Deadline for applying the post:

March 05, 2023

Date of joining:

April 1, 2023

Remuneration:

Approx Rs. 20,000 per month

Disclaimer:

- This is a temporary post as project staff. This is not an employment opportunity at the Tata Institute of Social Sciences.
- The policy of the institute will govern the selection and recruitment process.
