

**Advertisement for the position of Research Associate for the Research study titled
'Violence against Adolescent Girls: A Study on Socio-Legal Interventions'**

Name of position	Research Associate
No. of positions	1
Advertisement No:	TISS/ Project/ RCI-VAW/ March 2022
Last Date of Application	25 March, 2022
Salary	Commensurate with qualification and experience
Duration	12 months
Location	Mumbai, with travel in Maharashtra and Bihar
Languages required	English, Hindi (must), Marathi (desirable)

1. About the Study:

While violence against women (VAW) is an important part of state and non-state policy and programming, interventions on addressing violence and crimes specifically against adolescent girls are fewer in number. In practice, most mechanisms for VAW can also be utilised by adolescent girls, such as Special Cells for Women and Children in Police Stations. This study seeks to understand the challenges and lessons learnt in socio-legal interventions addressing violence against adolescent girls in the Special Cell for Women in Police Stations in states of Maharashtra and Bihar.

2. Education and Experience criteria:

3.1 Candidate should preferably have a PhD degree in social work/social sciences/ women's studies (or should have atleast submitted the dissertation and awaiting degree)

3.2 Candidate should have knowledge of issues related to violence against women and girls, and prior experience of research with women

3. Core values of the candidate should be aligned with the following:

3.1 Respect for Women

3.2 Respect for Diversity

3.3 Integrity in Research

3.4 Professionalism

4. Job description:

4.1 The Research Associate will be expected to be part of the overall implementation of the research, including:

- Tool development
- Data collection
- Data entry
- Data analysis
- Communication with stakeholders
- Organization of fieldwork
- Writing of report, policy briefs, research briefs and other such deliverables
- Review and overall administration of the project

4.2 The Research Associate will be expected to travel in Maharashtra and Bihar as per research requirements
