About Jamsetji Tata School of Disaster Studies (JTSDS):

The Jamsetji Tata School of Disaster Studies was established in 2006 as an independent centre (The Jamsetji Tata Centre for Disaster Management- JTCDM), consolidating more than 60 year of TISS experience and expertise in disaster relief, response and policy advocacy. JTCDM was elevated to the status of a School in 2015 with the following three centers: Centre for Disaster Management, Centre of Disasters and Development, and Centre for Geo-informatics. The key domains of the school's work towards shaping disaster discourse are: Capacity Building, Research, Field Action and Policy Advocacy.
