

TATA INSTITUTE OF SOCIAL SCIENCES

V.N. Purav Marg, Deonar, Mumbai - 400 088

(Declared as a Deemed to be University under Section 3 of the UGC Act 1956,
a grant-in-aid Institute under Ministry of Education, Government of India)

No.TISS/NIHR-GEMMS/Mar/2025/01

6th March 2025

The Tata Institute of Social Sciences (TISS), Mumbai, a premier Research and Teaching University in Social Sciences, invites applications for a vacancy in a multi-country project on 'Disrupting the Cycle of Gendered Violence and Poor Mental Health among Migrants in Precarious Situations'. This NIHR funded project is recruiting for the following position:

Vacancy announcement: Applied Statistics Research Associate

Number of Positions: 1 (full-time role)

Duration: 6 months (extendable based on project requirements & candidate's performance)

Remuneration: ₹40,000 - ₹45,000 per month (based on experience related to data handling)

Key responsibilities include:

- ∅ Assisting in data management, including organizing and structuring datasets for analysis.
- ∅ Generating basic descriptive statistics, dummy tables, and summary reports using SPSS.
- ∅ Supporting the preparation of data visualizations, graphs, and summary tables for presentations and reports.
- ∅ Assisting in drafting excerpts of quantitative findings for research papers, reports, and presentations.
- ∅ Preparing PowerPoint presentations for team meetings with other country teams.
- ∅ Working closely with the GEMMS research team to ensure efficient quantitative data handling and other relevant work related to the project.

Required qualifications & experience:

- ∅ Master's degree in Public Health, Population Studies, Biostatistics, Development Studies, Social Sciences, or any related discipline from a UGC-recognized university.
- ∅ 1-2 years of experience in quantitative research, preferably in migration, health, mental health, and gender-based violence studies (although not necessary).
- ∅ Proficiency in using SPSS.
- ∅ Experience in working with quantitative datasets.
- ∅ Proficiency in English (both written and verbal).
- ∅ Willingness to collaborate with interdisciplinary teams and contribute to mixed-methods research.
- ∅ Preference will be given to candidates located in Mumbai.

Other terms & conditions:

- ∅ Candidates must share the names and contact details of an academic referee.
- ∅ The position is contractual, with the possibility of extension based on the project's needs and the candidate's performance.
- ∅ The Institute reserves the right to the final selection of candidates.

Instructions to candidates:

- ∅ Candidates must send their CVs to the following email ID: gemmsresearch@gmail.com
- ∅ The subject line of the email should mention the position: Applied Statistics Research Associate
- ∅ The last date for application submission is 21 March 2025 before 5PM IST.
- ∅ Only shortlisted candidates will be notified about the online interview schedule.
