DIRECTOR'S ANNUAL REPORT

Our esteemed Chief Guests for the 82nd Convocation, Shri Rajendra Singh and Dr. Satish Pradhan; Shri Vijay Singh, Interim Chairman, Governing Board of TISS; Members of the Governing Board and Academic Council; students, staff and faculty; parents and relatives of graduating students, and all well-wishers of TISS:

The Academic Year 2021-2022, which spanned from 26 July 2021 to 25 June 2022, continued to be affected by the COVID-19 pandemic, leading to the campus lockdown ending in phases. While online teaching was the norm for the most part, final-year students, in small batches, could experience a slice of campus life for 4-5 weeks at a time. Despite these challenges, **1419** students enrolled in our **53** post-graduate, **3** under-graduate, and **18** M.Phil. and Doctoral programmes from our Mumbai Campus and the three off-campus in Tuljapur, Guwahati and Hyderabad, completed their course work and received their degrees.

M.S. GORE CENTENARY CELEBRATIONS

The Institute observed the Birth Centenary Year of Prof. M.S. Gore, one of the first graduates of TISS and later its longest serving Director till date from 1962 to 1982. An acclaimed social scientist with a multidisciplinary approach, a visionary educator-administrator, and an institution builder, Prof. Gore advocated integrating social science theory with social work practice.

A recipient of the Padma Shree, he was well known for his writings on social work education, cultural

dimensions of development, and Indian social reformers and movements.

This centenary event was dedicated to some of the key concepts and ideas Prof. Gore explored and wrote about during his lifetime with respect to social work and social development.

The Institute observed his birth centenary year with a publications and events organised by different Schools and Centres of the Institute.

COLLABORATIONS AND PARTNERSHIPS

The Institute added strategic partnerships to advance our work for greater impact nationally as well as globally. Overall, in 2021-2022, we signed or renewed 52 MoUs with national organisations and universities, and 16 with international universities.

The **TISS Incubation Centre**, hosted by the Centre for Social Entrepreneurship, signed an MoU on 2 November 2021 with the District Administration of Bastar, Chhattisgarh, as a Knowledge Partner for THINK-B, their newly founded incubation centre. The TISS Incubation Centre will advise THINK-B on systems and processes, identify potential entrepreneurs, guide and mentor them, and take various initiatives to connect Bastar to the larger incubation ecosystem across India.

The Institute's **Incubation Centre** is the knowledge partner for Biotechnology Industry Research Assistance Council's (BIRAC) SPARSH SIIP Programme. The Incubation Centre trained and mentored the 2020 cohort of Social Innovators in building a framework for socially relevant, yet feasible technology solutions and developing a market-centric approach for enterprise creation. Sixty-three Social Innovators from this cohort across 14 SPARSH Centres (Technology Business Incubators) successfully completed their 18-month programme spread across six thematic areas: Mother & Child Care, Ageing & Health, Food & Nutrition, Agri-Tech, Waste to Value, and Combating Environment Pollution & Control.

TISS signed an MoU with the North Eastern Regional Institute of Water and Land Management, Tezpur, on 9 November 2021 to promote teaching, training and research as collaborative partners in the fields of Ecology, Social Work and Sustainability Studies in the country with a special focus on the North Eastern Region. The **Guwahati Off-Campus** will lead the partnership on behalf of TISS.

The TISS **Hyderabad Off-Campus** has developed a partnership with the UNICEF for district-level support on Risk Communication and Community Engagement for Telangana State.

The **School of Vocational Education** of TISS signed many partnership agreements this academic year. These include (i) an MoU with Lenskart Eye Tech on 9 February 2022 to be the Service and Skill Knowledge Provider for the B.Voc. in Optometry programme; (ii) Project '**Uday**' with HCL Foundation under its IT-ITES (Information Technology Enabled Services) skill-sector to sponsor the fees of the students enrolled in the Diploma in Computer Applications programme; (iii) a collaboration with Maruti Suzuki to offer an industry-integrated B.Voc. in Retail Management with Specialisation in Automotive Retail; and (iv) with Tata Power to provide internship opportunities to 22 students pursuing B.Voc. in Renewable Energy Technology.

TISS will be a mentor for the development and capacity building of the Liberal Arts programme offered by the Faculty of Social Sciences, Jagat Guru Nanak Dev Punjab State Open University.

TISS has launched India's first academic-corporate fellowship for the trans community in collaboration with Pernod Ricard India Foundation and the Collective Good Foundation. This is to promote transgender inclusion in the workforce and enable them to reimagine their futures through people-centred innovation.

TISS was honoured to host and participate in a Roundtable Session organised by the Shastri Indo-Canadian Institute (SICI) for the University of Ottawa and SICI's Indian member institutions to explore, discuss, and build relationships for developing concrete academic and scientific partnerships in line with the NEP 2020 of India on 19 May 2022.

R to L: Prof. Karamjeet Singh (Vice-Chancellor, Jagat Guru Nanak Dev Panjab State Open University), Prof. Shalini Bharat (Director, TISS), Prof. Surinder Jaswal (Deputy Director, TISS), Prof. Ashwini Kumar (Dean, School of Development Studies), Prof. Madhushree Sekher (Chairperson, Office of International Affairs), TISS, Prof. Abdul Shaban (School of Development Studies) and Prof. Manish Jha (School of Social Work)

R to L: Prof. Sharon Pickering (Deputy Vice-Chancellor and Senior Vice-President, Monash University), Prof. Shalini Bharat (Director, TISS) and Prof. Madhushree Sekher (Chairperson, Office of International Affairs)

OFFICE OF INTERNATIONAL AFFAIRS

TISS has a very active internationalisation programme, which is coordinated by the Office of International Affairs (OIA). In 2021-2022, TISS signed 20 new MoUs with partners such as Monash University, Queen Mary University of London, SOAS, Cornell University, Simon Fraser University, the University of Nantes, to name a few.

We were also happy to welcome 18 new full-time international students and 5 semester-exchange students this year. Some of the highlights from the year are listed below.

TISS-Monash Strategic Partnership Launch: TISS and Monash University signed a strategic partnership agreement on 2 August 2021, which is based on a shared vision for the role of higher education over the last five years.

Wetskills Water Challenge Mumbai 2021: The OIA and the School of Habitat Studies, in collaboration with Wetskills, a Dutch Foundation working in the water sector, and the Dutch Consulate General in Mumbai organised a two-week water challenge for Indian and international students and young professionals working or studying in the water policy/water management sphere. The Workshop was held online from 22 November to 2 December 2021.

Leading Together Dialogue on Women and Leadership:

Leading Together is a collaboration between undergraduate students of the Faculty of Arts at the University of Melbourne, TISS, Tetso College, Stella Maris College (Chennai) and Savitribai Phule Pune University. On 12 November 2021, the Leading Together Dialogue on Women and Leadership was held, which emphasised peer learning and the co-creation of knowledge, and established new networks and knowledge pedagogies for the undergraduate student community.

Social Entrepreneurship Challenge in the Indo-Pacific:

15 students from TISS participated in the second round of the Social Entrepreneurship Challenge in the Indo-Pacific (SECIP) in January 2022. The SECIP, an intensive model incubator programme, is a two-week virtual, experiential initiative that gives students hands-on experience in establishing a social enterprise or solution that can have immediate social impact.

Public Lecture: In May 2022, the Ministry of External Affairs of the Government of India and the OIA conducted a commemorative lecture as part of the "India@75: Videsh Niti Distinguished Lecture Series". Under this initiative, Prof. Narendra Nath Misra, a retired Indian diplomat who served as Ambassador to Portugal and to Laos, gave an online lecture on "The Impact of the Ukraine Crisis on India's Foreign Relations."

MAKING PEOPLE AND SYSTEMS “SAKSHAM”

Saksham (“making capable”) is a project of TISS and is committed to supporting the Ministry of Health and Family Welfare in its fight against HIV and TB. Saksham, in partnership with the National AIDS Control Programme (NACP), has developed the curriculum for HIV Counsellors across India. Saksham’s engagement and notable contribution to HIV counselling paved the way for introducing psycho-social counselling for TB. Currently, Saksham has three major grants in TB Counselling, Community Engagement and HIV Evaluations.

Saksham Pravaah is the TB vertical of Saksham that introduced psycho-social counselling for DR TB patients in Maharashtra, Gujarat, Karnataka, and Rajasthan and has demonstrated the need for moving beyond the “bio-medical”, “disease control” approach to addressing social determinants of TB — stigma, gender, and mental health.

During the year under review, Saksham Pravaah Counsellors reached out to **13,600** People living with Drug Resistant TB (PwDRTB) and their caregivers. In total, from programme initiation in October 2015 until June 2022, Saksham Pravaah has provided counselling and psycho-social counselling to **90000+** PwDRTB and their caregivers across the 4 implementation states. They have also linked **1697** PwDRTB and their family members to Social Protection Schemes and provided nutrition support

costing **Rs.51,06,816** to 6285 PwDRTB and their family members.

Saksham Pravaah also trained **83** DR TB Counsellors across India employed under the NTEP on counselling skills. This is the first time in the history of the National TB Programme that capacity building on Counselling has been conducted.

Saksham Saathis are TB survivors who undertake telephone counselling to address stigma, presenting a positive picture of TB treatment, debunking the myths around TB and emphasise the importance of treatment adherence. The model was presented to the Municipal Corporation of Greater Mumbai and integrated within the NTEP from November 2021 onwards in Mumbai whereby 24 Saksham Saathis are placed within the TB Centres in Mumbai. Such a model is unprecedented and received a lot of media attention.

Saksham Pramaan serves as the HIV vertical of Saksham for three years from 1 April 2021 to 31 March 2024. Two minor and one major research studies will be undertaken by TISS. TISS was honoured to receive a team from NACO INDIA led by Shri Alok Saxena (Additional Secretary/ Deputy General) on 8 June 2022. The NACO team was visiting TISS to discuss the progress of activities under the Saksham Pramaan project.

मुंबई महापालिकेचे लक्ष्य

२०२५ पर्यंत मुंबई टीबीमुक्त

■ मुंबई, नवराष्ट्र न्यूज नेटवर्क. मुंबईत कोरोना संसर्गाच्या वेळी टीबीचे ५.२३ रुग्ण आढळले आहेत. या रुग्णांनी कोरोनाचा यशस्वीपणे पराभव केल्या, एवढेच नाही तर पालिकेने मोफत उपचार केल्याने हजारो कोरोना रुग्ण टीबीने बरे होत आहेत. विशेष काळ म्हणजे क्षयरोग बरा झालेले 'टीबी चॅम्पियन्स' आता पालिकेच्या सहकार्याने रस्त्यावर लोकांना टीबीबद्दल जागरूक करत आहेत. पालिकेने २०२५ पर्यंत मुंबई टीबीमुक्त करण्याचे लक्ष्य ठेवले आहे. पालिकेच्या कार्यकारी आरोग्य अधिकारी मंगला गोमारे यांनी टीबी दिनानिमित्त ही व्हिडिओ दिली. गोमारे म्हणाले की, क्षयरोग झालेल्या रुग्णांनी घाबरून न जाता वेळीच उपचार घ्यावेत. आत्मविश्वासाच्या बळावर टीबीवर

NATIONAL UNIVERSITY STUDENTS' SKILL DEVELOPMENT PROGRAMME

Between June 1, 2021 and May 31, 2022, 1106 students from 25 colleges in Maharashtra and Gujarat were trained in various skills for employment.

Thirty-one webinars were conducted for students during the same period.

In July 2021, TISS signed an MoU with Schaeffler, a leading German auto-component maker, to implement the project in Pune, Maharashtra. This came in after successfully implementing the project in Vadodara, Gujarat in the last academic year. Under the proposal, 371 students from four colleges in Pune were trained for employment.

CENTRE OF EXCELLENCE IN CORPORATE SOCIAL RESPONSIBILITY

The Centre of Excellence in CSR (CECSR) is carrying out domain-specific activities under three divisions: (i) Research & Development; (ii) Learning, Training and Development Practice; and (iii) CSR Projects Review and Empanelment.

The Research & Development division of the CECSR engages with companies to conduct evidence-based and participatory research to help them adopt effective and impactful CSR approaches. During 2021-2022, the Centre undertook 15 research projects spread across different states of India and covered need assessment studies, monitoring and evaluation projects, social impact assessments, and advisory and consultancy services. These projects were sponsored by Hindustan Aeronautics Ltd., South-eastern Coalfields Ltd., Western Coalfields Ltd. Northern Coalfields Ltd., RailTel Corporation of India Ltd., Hindustan Colas Pvt. Ltd., CLP India, UTI Asset Management Company Ltd., and J M Financial Foundation.

The empanelment of Not-for-Profit Organisations is another activity of the Centre with a view to create a model to evaluate, assess, accredit and build capacities of the organisations through a robust multi-layered scrutiny process. The Centre took up applications related to the empanelment of 34 Not-for-Profit Organisations during 2021-2022.

The Centre is also collaborating with Protean eGov Technologies Ltd. (formerly NSDL e-Governance Infrastructure Ltd.) to create an online education funding ecosystem titled Vidyasaarathi. It is a platform which brings together corporates with CSR funds and deserving underprivileged students looking for financial assistance. During 2021-22, 18 corporates supported the Vidyasaarathi initiative benefitting over 2000 students in the country.

FACULTY AND ACADEMICS

Research

During the year under review, **198** research projects were ongoing at the Institute. TISS research is characterised by topicality, social applicability and policy and programmatic relevance. A mention of a sample of research areas will illustrate this point.

The School of Habitat Studies was engaged in several environment related topics including research on low-cost innovation technology for water resources management for urban and rural water systems, policy pathways for aligning livelihood restoration of riverine communities with conserving Ganga, Fast Forward to SDG 6: Acceptable and affordable water in Secondary Indian cities, pesticide risk assessment and mitigation, agricultural interventions and farmers' well-being, forest sustainability and livelihood strategies, and community forest resource management plan and livelihood issues.

The **Jamshetji Tata School of Disaster Studies** investigated epidemic resilient communities, disaster resilience leadership, transboundary water governance, infusing gender in disaster pedagogies, disaster risk assessment in urban resettlement processes, heatwave vulnerability, and similar other climate change topics.

Migrants, migration, home and belonging, and changing mobility patterns and risk behaviour was a theme explored by faculty in **Schools of Development Studies, Social Work** and **Health Systems Studies**. Mental health and well-being of marginalised groups and school students, and its gender dimensions and post-Covid manifestations were examined by the **School of Human Ecology** and **Health Systems Studies**. Transition to digital technologies in the context of health, education, safety and well-being and gendered access to digital technologies was a cross-cutting theme across Schools. Gender equality in Hindi cinema was another key theme explored by the **School of Media and Cultural Studies**.

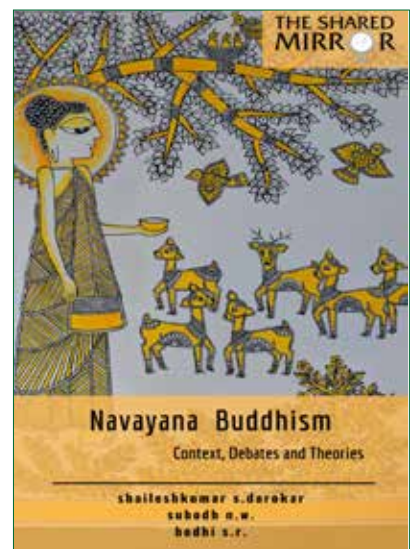

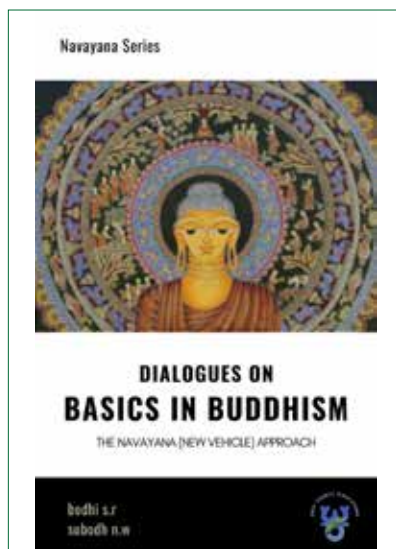

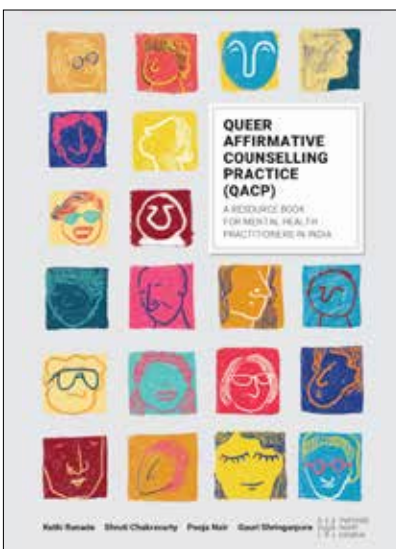

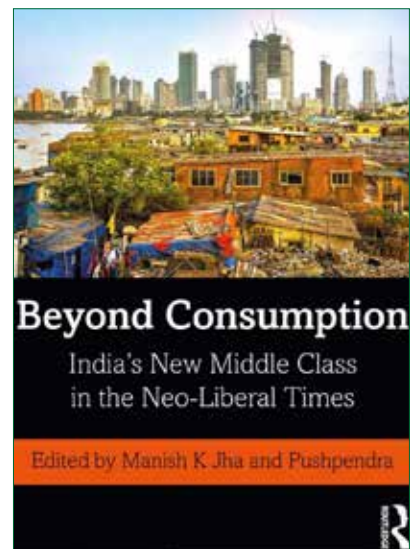

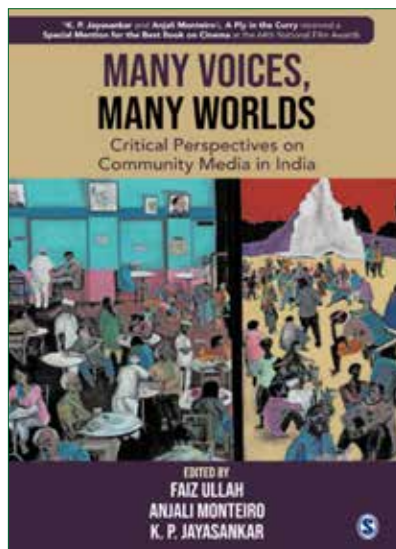

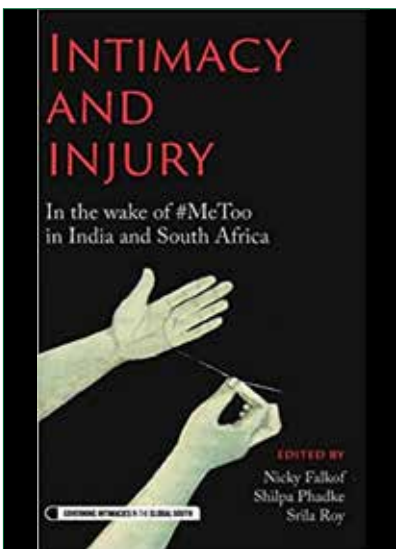

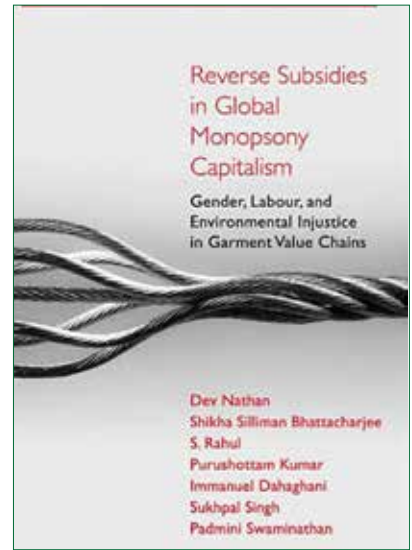

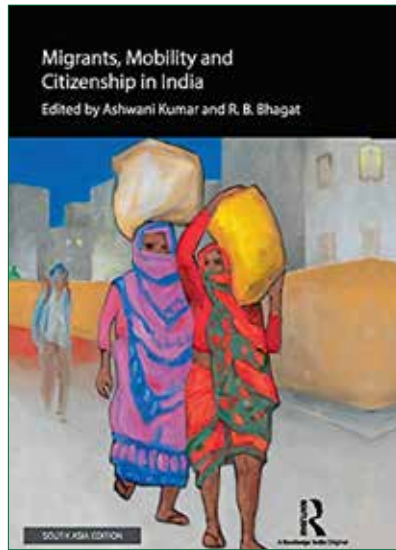

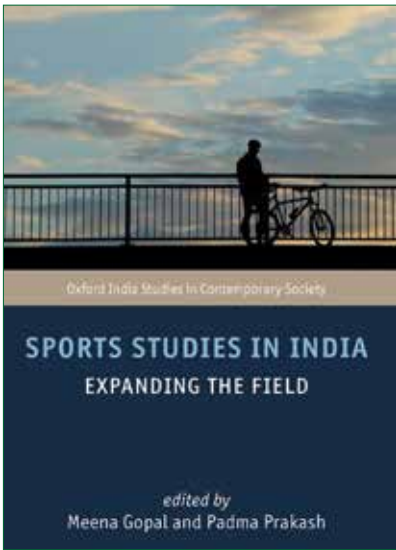

Studies on issues related with various forms of disability were carried out by faculty from the **TISS Tuljapur Off-Campus** and the **Advanced Centre for Women's Studies**.

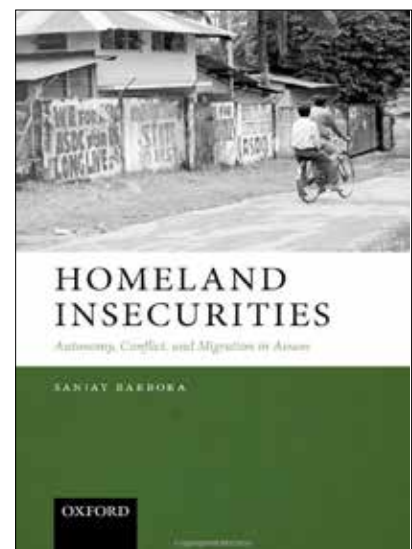

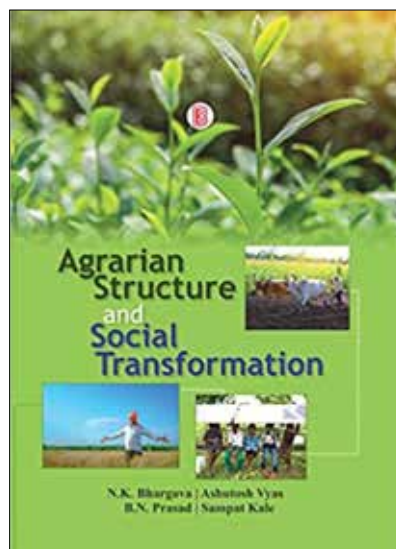

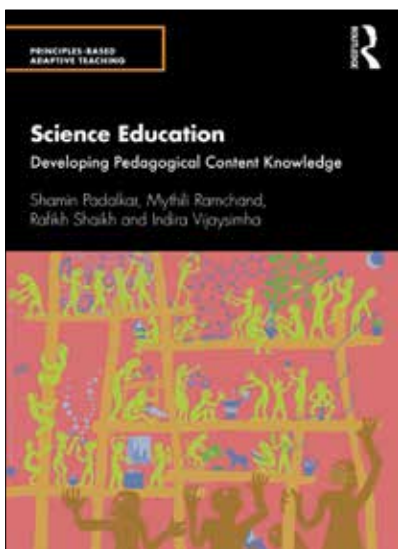

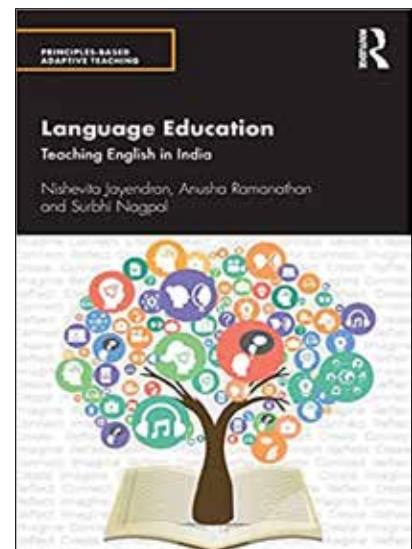

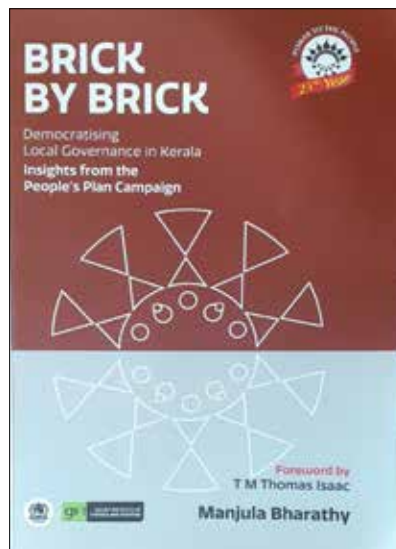

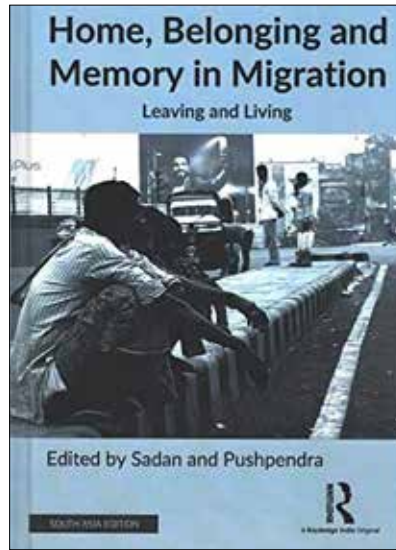

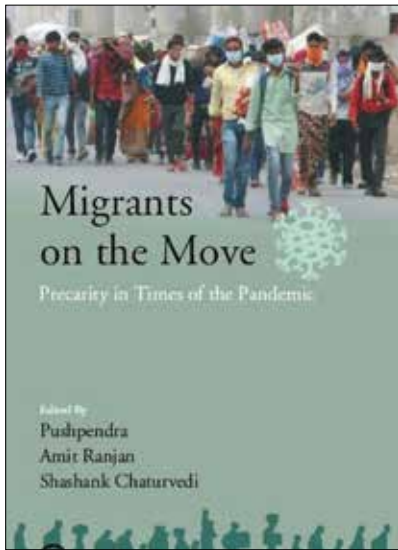

A few researches were in cross-cultural contexts. Researchers at the **Centre of Excellence for Teacher Education (CETE)** undertook a UNESCO commissioned study on the Role of Non-State Actors in the Teaching Profession and Teacher Education in South Asia covering Afghanistan, India and Nepal. JTSDS explored multi-hazard resilience of HEIs in the Asia-Pacific context.

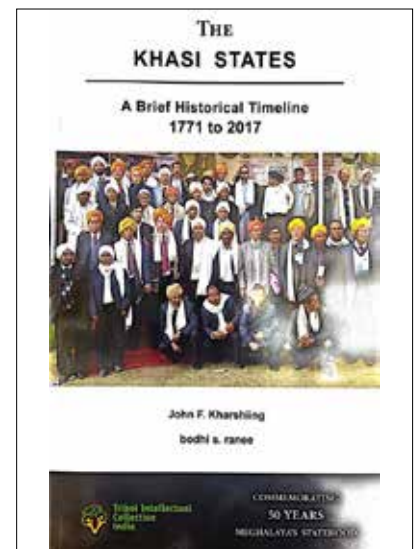

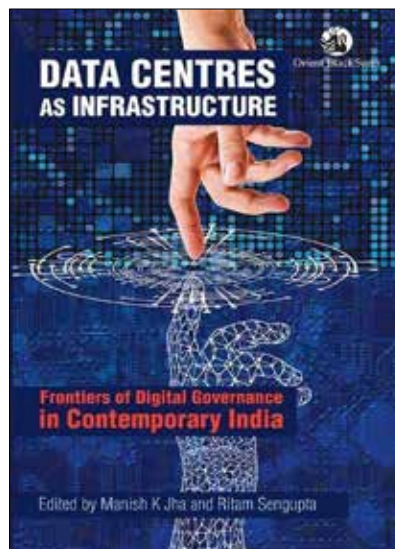

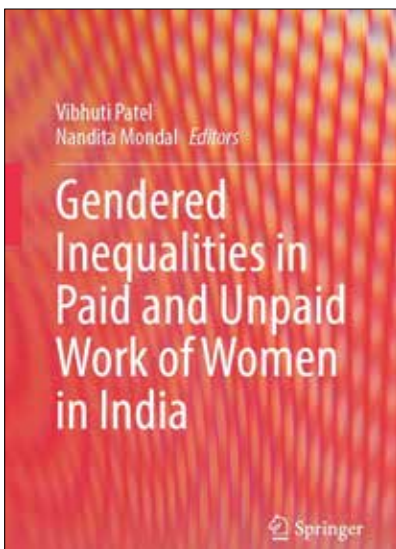

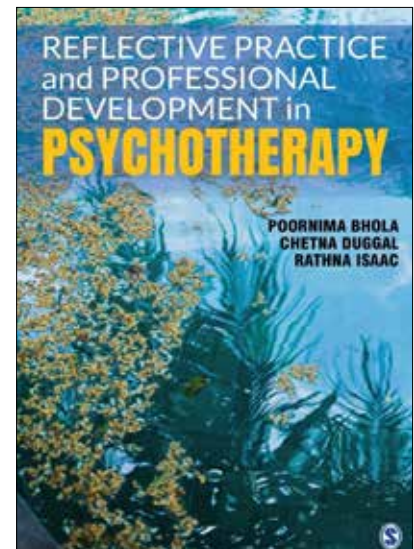

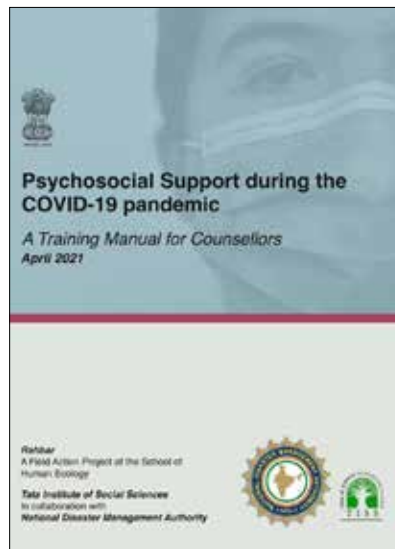

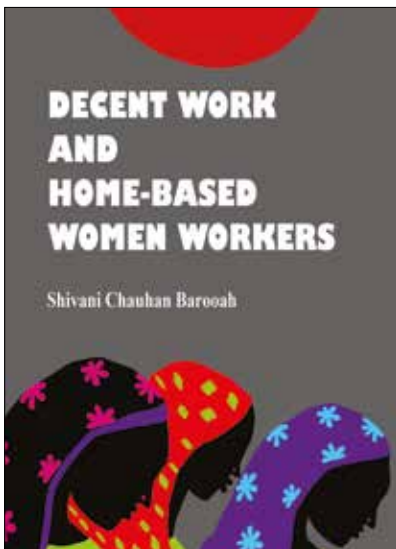

Publications

During the year, TISS faculty produced **over 500** publications including 203 peer-reviewed journal articles, 107 chapters in books, 24 authored/edited volumes, and 99 other writings. The Research Scholars' publication count was 45. The IJSW, now in its 83rd year of uninterrupted publication, brought out a special issue on the 'Emerging Discourse on Queer Affirmative Mental Health Practice in India'. CETE faculty authored the UNESCO State of the Education Report for India 2021, titled *No Teacher, No Class*.

Field Action Projects

Field Action Projects (FAPs) are unique to the Institute and currently, over 30 of them are active. Collectively, these address a host of societal issues and reach out to a range of marginalised population groups. Besides serving the communities, most FAPs also impact government policies and programmes, demonstrate implementable models, and initiate reforms and good practices.

The work of **Prayas** (School of Social Work) in prison reforms and advancing rights of undertrials and prisoners, is receiving wide recognition by various state governments and the Courts. In 2021, Prayas signed an MoU with the Home Department, Government of Maharashtra (GoM), to institutionalise the role of social workers in the prison system. The efforts of Prayas led the GoM to provide cash subsistence as part of COVID relief to women rescued from commercial sexual exploitation. In February 2022, the Uttarakhand High Court invited Prof. Vijay Raghavan of Prayas to serve on the high-powered three-member committee for making recommendations to improve prison conditions in the state.

The **Special Cell for Women** (School of Social Work), initiated in 1984, with its institutionalised presence in 6 states of India has now upscaled its work to 11 districts of Assam through its Special Cells and Community Approach (SCCA) initiative. The project, supported by Jhpiego India, aims to strengthen response to gender-based violence and access to Sexual and Reproductive Health Rights in the State by bringing together local grassroots organisations and groups engaging on women's issues.

iCALL (School of Human Ecology), in collaboration with WhatsApp, launched a Chatbot for offering resources on mental health and well-being. Against the backdrop of the Ukraine crisis, iCALL launched a special helpline to provide emotional support for Indian students in Ukraine and their parents. iCALL was featured in BBC's *Facing Forward* film series for bridging the mental health care gap in India.

intervention titled “SMILE: Support for Marginalised Individuals for Livelihood and Enterprise”. Launched on 12 February 2022 by the Ministry of Social Justice & Empowerment, GoI, the intervention aims to provide welfare and rehabilitation to the transgender community and people engaged in the act of begging.

Inspired by the work of Koshish, filmmaker Mr. Kireet Khurana, a National Award winner, made a documentary film, *The Invisible Visible*, to capture the issue of homelessness and destitution through the journey of Koshish. The film won the Swedish International Film Festival award 2022.

Seminars, Conferences, Workshops and Training Programmes

During 2021-2022, TISS faculty organised and participated in more than 1,000 programmes. The Institute organised the 13th ‘In Service’ Training Programme for 27 All India Service Officers on ‘Social Policy and Governance’ and also participated in the EU-India Education Summit on “Collaborations and Strategic Partnerships” in Mumbai.

Office of Students' Affairs

The Office of Students' Affairs (OSA) continued reaching out to students and addressed their concerns with creativity and compassion. The students also demonstrated extreme resilience in navigating through the uncertainties all around.

Financial Support

TISS strives to provide access to socially relevant quality higher education to all students, and we have a dedicated mechanism in place to support students. The OSA uses internal resources from TISS to help students from economically and socially weaker contexts and mobilises funding from external sources on a need-cum-merit basis. This academic year, the total financial support offered to students was Rs. 1,56,55,940.00. We extend our thanks and heartfelt gratitude to MVBS Scholarship, Tata Trusts, JM Financial, Cognizant Foundation, Bridge and Allana. We also wish to acknowledge the individuals who have donated towards the student aid corpus, whose contributions have totalled Rs.13,40,590.

In addition, the OSA facilitated three new scholarships with the support of alums, which will be rolled out

from the next academic year: (i) Late. K.C. Madhusudan Memorial Scholarship (initiated by the Batch of 1989, for School of Management and Labour Studies); (ii) Late Rajib Das Memorial Scholarship (initiated by Batch of 2000, School of Social Work, Rajib's friends and TISS); and (iii) Shobha Nenavath Scholarship for Education of girls from disadvantaged communities (TISS Hyderabad Off-Campus).

Yoga and Well-being

The OSA conducted online yoga sessions for students throughout the year. Alongside the regular yoga sessions, we also celebrated International Yoga Day.

The 8th International Yoga Day celebrations was spread across June and July 2022 with various competitions and a series of yoga sessions at the institute. As part of Azadi ka Amrit Mahotsav, various competitions were organised across the TISS campuses, which included Rangoli, Poster, Jingle, Slogan, Quiz, etc.

All the events were based on the theme of "Yoga for Humanity". Around 200 Students and employees participated in these events with great enthusiasm. The sessions covered included many asanas and also covered facial yoga and breathing practices, chair yoga,

strengthening the spine and meditation, which can be practised almost every day.

Counselling Support

The team of counsellors as always have been using creative ways of reaching out to students. Amidst the ongoing pandemic, uncertainties the counsellors reached out all students through social media, WhatsApp calls, chats, mails as well as offline sessions. Other than the individual sessions, the counsellors also engaged in conducting awareness sessions and group sessions. The Counselling Centre has trained 41 peer counsellors to play a key role in promoting students' mental health on campus.

Connecting with Alumni

The 2021-2022 academic year will be remembered as reconnecting with our alums at various levels

through online and offline interactions, including social media. Through these meetings, we hope to reconnect with our alums, collaborate and engage with them for educational opportunities and research, and seek their support for scholarships and student placements.

These interactions included (i) a meet-up of in London on 5 March 2022, where alums from 13 programmes from TISS Mumbai and TISS Tuljapur connected in both offline and online modes; (ii) the first official meeting of TISSQUAD-Australia, also in a hybrid mode, was held on 20 May 2022 at Melbourne; (iii) a meet with alums based in Tamil Nadu on 26 May 2022.

All our alums are doing pathbreaking work in niche areas, and there is much to learn from them. We look forward to more meets and events to share and bond. Big journeys start with small steps.

SUSTAINABLE INFRASTRUCTURE DEVELOPMENT

Installation of Solar Energy Plant at the TISS Tuljapur Off-Campus

To move towards sustainable energy usage, the Tuljapur Off-Campus has entered into a contract with Tata Power and installed a Solar Power Plant with a capacity of 202 KW. This plant will supply power to all the buildings on campus. Once the Solar Power Plant is operational, there will be considerable cost-savings for the Institute. The Plant will be operated by Tata Power for 15 years after which, it will be handed over to the Institute.

Plantation of Ingenious Species to Promote Biodiversity

The Tuljapur Off Campus has approximately 25-27 hectares of land under tree cover, of which nearly 14

hectares are covered with invasive species threatening indigenous biodiversity. The Action Plan of the Forest Department envisages removing invasive species and replanting ingenious species to maintain the biodiversity and ecological balance of the area.

Towards this, the Tuljapur Off-Campus undertook replantation work in coordination with the Social Forestry Department, Osmanabad District.

A total of 22,400 saplings (1,600 plants per hectare) of 22 different indigenous species have been planted after removing the invasive species.

The Social Forestry Department will take care of and maintain the plantation till 31 March 2025, while the Off-Campus will provide protective irrigation for the new plants.

ORGANISATION MANAGEMENT AND DEVELOPMENT

Women and Gender Development Cell and Internal Committee

The Women and Gender Development Cell (WGC) at TISS Mumbai started its activities for 2021-2022 with an Orientation Session for the incoming batch of Master's students in July 2021. During the year, the WGDC continued its work in making the campus a more gender-aware space for all stakeholders.

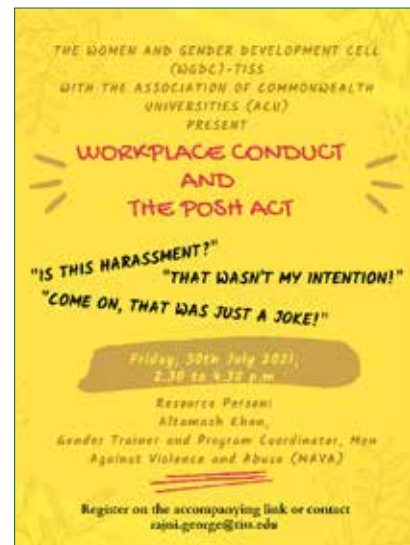

The gender-aware code for teaching and non-teaching staff, that was rolled out in November 2019, was further developed in an online format in 2020, and continues to be for amongst all TISS employees. In October 2020, the WGDC began efforts to build a gender policy at TISS, that will work towards making Institute policies and vocabulary more gender-inclusive, in keeping with national and international conventions. The WGDC has been continuing conversations on this, to generate both a gender policy and a sexual harassment policy for TISS, keeping in mind the guideline documents.

In keeping with the mandate of the UGC, the TISS WGDC has a student-centred **Gender Advocates Programme** that follows and builds on the UGC mandate of Gender Champions to cater to the post-graduate student community. The Gender Advocates are selected from among volunteers in the first year

of Master's Degree programmes, and are responsible for awareness and advocacy. This year, the WGDC has 21 advocates across programmes. They have been generating feminist calendars to focus on hitherto invisible histories of gender-sexuality in the subcontinent every month. These are available at <https://tiss.edu/view/6/women-development-cell/campus-conversations/> and are an inspiring testament to perspectives emerging among the student community.

Campus Conversations is an initiative of the WGDC in collaboration with the Association of Commonwealth Universities (ACU). [more at <https://www.acu.ac.uk/news/acu-gender-grants-2020-advancing-equity-and-equality-across-the-commonwealth/>]. As part of this initiative, which began in December 2020, the WGDC conducted two major events:

1. A theatre production by El Pueblo titled *No Country for Women* on the occasion of International Women's Day.
- The first WGDC Roundtable on 20 May 2022, titled Lives of Gender-sexuality in Higher Education: Between the UGC Saksham Report 2013, and Row.

During the year, the WGDC conducted the following workshops:

- Workshop on 'Masculinity and Power' on 3 July 2021 with Altamash Khan (Gender Trainer and Programme Coordinator for Men Against Violence and Abuse) as the resource person.
- Five workshops on consent, workplace gender dynamics, sexuality and the Prevention of Sexual Harassment (PoSH) Act in Hindi and English, 30 July 2021 to 27 August 2021 for the staff of the Institute.
- The WGDC collaborated with Bishakha Datta from Point of View (PoV) to organise workshops on Sexuality and Obscenity in the Internet Age on 16 and 18 September 2021. These workshops were a part of the ACU 'Campus Conversations' initiative. Both the sessions had considerable participation from the student body.

In 2021-2022, the **Gender Advocates** brought out two issues of WGDC newsletter, *Across the Margins*. In the words of the editorial team, the aim of the newsletter is to build a dialogue across the margins on the varied contexts of discrimination members of the student body confront and to cultivate a space that can highlight people's work, whether they're writers, poets, artists, or make memes during breaks, or no matter the language they articulate their thoughts in.

The inaugural issue was brought out in June 2021 and the second issue in November 2021 on the theme of 'Desire in the Pandemic'. The editorial team accepted entries from the student body, giving them the platform to present their thoughts on the matter.

On 9 December 2021, on the anniversary of the notification of the Sexual Harassment of Women at Workplace (Prevention, Prohibition, and Redressal) Act, 2013 (also referred to as the "POSH Act"), the WGDC shared a timeline of events and movements that lead to the codification of the act.

As part of the **Gender Weekend**, an annual event led by the Gender Advocates (this year in collaboration with ACU) was held on 26-27 February 2022. A Gender Quiz on the theme 'Gender in Media', a movie discussion with a filmmaker Tulika Bhattacharya titled *Cinema Paithiyam*, in collaboration with Adda Film Club, SMCS, and an open mic were hosted.

SC/ST and EO Cells

The primary objective of the SC/ST Cell and Equal Opportunity Cell (EO Cell) of TISS is to ensure, as mandated by law, that the reservation policy is implemented both in admission and recruitment, and that neither students, faculty members or staff of TISS are subjected to any kind of discrimination or deprivation or harassment on the basis of their social identity; in other words, for being the member of a particular caste or tribe. Some of the mandated activities that these Cells undertook during the academic year 2021-2022 are enumerated here.

Orientation Programmes: An Online Pre-Admission Orientation Programme (PAOP) was organised for SC/ST and OBC candidates who had applied for the TISS-NET. A Post-Admission Orientation Programme was conducted for the students belonging to SC, ST, OBC and Minority communities on the kind of support provided by the Cell; the responsibilities of students to avail of these supports; the various government schemes available; and the eligibility criteria to avail of these schemes.

Representation in Admission and Recruitment Panels: TISS ensures that in every admission panel or recruitment panel, there is representation of a faculty member from the SC/ST background. This is to see that every SC/ST candidate competing for admission is given a fair chance of being selected.

Facilitating Students to Apply for Scholarships/ Fellowships: One of the important activities that the SC/ST and EO Cells engage on a regular basis is to facilitate students from the reserved categories applying for various kinds of government scholarships.

Administration

Appointments, Promotions and Retirements: There are **162** permanent and **92** Ad-hoc faculty members across the TISS Campuses. The total number of permanent, non-teaching staff is **169**. **Six** faculty appointments and **14** faculty promotions were made in 2021-2022. One faculty member superannuated this year.

Long Service Award: The following TISS employees completed 20 years of service at the Institute and were felicitated on Institute Day.

- Prof. Harshad Thakur, School of Health Systems Studies
- Prof. Anil Sutar, School of Research Methodology
- Prof. Manjula Bharathi, School of Habitat Studies
- Prof. D.K. Srivastava, School of Management and Labour Studies

In Memorium

TISS mourns the passing away of Prof. Vimla Nadkarni (Retired) on 20 November 2021, and Dr. Anjali Kulkarni (Associate Professor, TISS Tuljapur Off Campus) on 22 January 2022. We remember their invaluable contribution to the growth of the Institute.

IN CONCLUSION

We thank the Ministry of Education and various other ministries notably MoSJE and Ministry of Tribal Affairs, the UGC, and several funding organisations for their cooperation and support. Our sincere thanks to the Chief Ministers of Telangana, Assam and Maharashtra, and the secretaries and other officials in state ministries for their generous goodwill and support. Our special and sincere thanks to Tata Trusts for the financial support extended to the Institute. Our sincere appreciation to all the companies in the corporate and industry sector, central and state government ministries and departments, and civil society organisations, who came forward for offering placements to our students.

No words are enough to thank Shri S. Ramadorai, former Chairman of the Institute's Governing Board for his generous support with his time, mentorship and connect with key partners and stakeholders, for his deep sense of commitment and understanding for what the Institute stands for, and for his warmth and goodwill towards the Institute.

Thanks are also due to external members of the Governing Board, the Academic Council, and the Finance Committee. We are also immensely grateful to all our funders and those who have provided scholarships and fellowships for students.

The faculty, administrative, secretarial and support staff, students, and all officials, contributed to making 2021-2022 yet another memorable year when we all grappled with challenges of COVID-19 and emerged winners.

Pragati (Integrated Rural Health and Development Project), estd. 1986

Aghai

Sponsor : Natwest and Nippon

Objectives :

- To strengthen and facilitate positive changes in the basic education facilities available for the tribal children through skills programme.
- To liaise the community with government initiatives for tribal development.
- Evolving Livelihood initiatives to enhance capabilities and also ensure availability, access and consumption of nutritional food for the people in the community.

Programmes :

- The project works on three interconnected themes. Health, Education and Livelihood (with an aim to enhance the living standards):
 - *Livelihood*: Diversified livelihood avenues, including farm-based interventions, low-cost and efficient irrigation mechanisms that require very limited resources, local systems of water conservation mechanisms like Goni Bhandara, promotion of conservation agriculture, preparation and use of organic manures, and introduction of intercropping mechanisms. Shifting the livelihood initiatives to move beyond basic subsistence to add basic assets and enhance the living standards of households in the padas.
 - *Skills and Education in Tribal Schools*: Pragati has evolved a context-specific skills model for adolescents studying in the Ashram Schools. This model not only engages with children but also with teachers and wardens. This programme aims to improve children's educational opportunities and overall well-being. In 2021-22, we started working in Zilla Parishad and 7 Ashram Schools.
 - *Health*: Alongside the social interventions for health, we also work towards minimising malnutrition amongst children and young women. This year the emphasis was on nutrition, and we conducted several training programmes for diverse stakeholders in padas. As part of Nutrition week, we conducted a recipe competition and prepared a document on locally available nutritious vegetables and recipes.

SCHOOL OF VOCATIONAL EDUCATION

Dean: Prof. Madhushree Sheker

Program Head: Dr. Tania Shaw

SCHOOL OF VOCATIONAL EDUCATION

The TISS School of Vocational Education (SVE) was set up in December 2011 to align higher education with the emerging needs of the economy. In the Academic Year 2021-2022, TISS-SVE enrolled 1759 students in 14 sectors and 33 Programmes across India. Out of the 1759 students, SVE enrolled 1,561 students for undergraduate programmes and 198 students for post-graduate programmes. During this Academic Year, TISS-SVE imparted training to 6500+ students in 16 Sectors at 95 locations across India.

State Wise Student's Enrolment for 2021-2022

Major Events Organised

COVID-19 Warriors: India was badly hit by the COVID-19 pandemic from March 2020. The health system faced many challenges while dealing with the pandemic. A key challenge was the need for more trained human resources. In such a situation, the contribution of TISS SVE students studying in Healthcare programmes was commendable. Around 2000 students of TISS SVE contributed as front-line workers during the pandemic and contributed to the lives of COVID-positive patients.

TISS SVE organised an online programme to felicitate these students on 30 July 2021. Padma Shri Dr. Tatyrao

Lahane (Ex-Director, Medical Education and Research, Maharashtra; Ex-Dean, Grant Medical College and Sir J.J. Group of Hospitals, Mumbai), was the Chief Guest of the programme. He appreciated the Institute's approach to creating human resources in the Health Sector and empowering youth through paramedical programmes. Appreciation certificates were sent to all the students.

In this programme, 50 Counsellors working in Mumbai under the *Saksham* project of TISS too, were felicitated. These Counsellors provided counselling and psychosocial support to People living with Drug Resistant (DR) TB during the pandemic. Mr. Ajit More, Counsellor, Mumbai shared his experiences while working during the pandemic. Appreciation certificates were sent to all the Counsellors.

Campus Immersion: For the first time ever, the TISS-SVE invited all students enrolled in the academic year 2021-2022 to its Mumbai and Hyderabad Off Campuses for 7 days. During this time, students underwent 30 hours of the Generic Theory Classes. They also got the chance to interact with TISS-SVE faculty and staff. On the last day of the campus immersion, cultural event *Utsaah* was organised in which students actively participated.

Life Skilling Webinar Sessions: TISS-SVE organised a series of webinars with the aim of staying connected with students enrolled in our vocational education programmes. The webinars covered topics such as team building and team dynamics; employment readiness (CVs & personal interviews); managing personal finances; current trends and career opportunities in the Tourism & Hospitality industry; trends in vocational education in line with the NEP 2020; etc.

Content Review of all B.Voc. Programmes: A two-day Content Review Workshop was held wherein various Domain Experts of 18 verticals joined to review and revamp the content of all the B.Voc. programmes. The domain as well as generic content was revised to check the Outcome Based Education (OBE) and also incorporate the contemporary industry-relevant concepts to match the qualification outlined by the National Occupational Standards (NOS) and as predefined by the respective sector skill councils.

Innovations in Skill Education initiated by the School of Vocational Education

Vocational Aptitude System (VAS): VAS is a standardised psychometric test developed by TISS-SVE. The development of the test started as part of the MOU signed between the All India Council for Technical Education (AICTE) and TISS in March 2012. The test is developed with technical support from the Defense Institute of Psychological Research (DIPR) and Defense Research and Development Organization (DRDO).

It has been developed to guide students in choosing their career options among the options available in vocational education. The programmes offered by TISS SVE are different from traditional ones, so students need guidance to select the right sector. VAS will help students to understand the best-suited vertical/sector for them. The test is free of cost for the students and is available on the TISS-SVE website.

Collaboration with Infosys: As part of Digital Literacy, the School of Vocational Education is collaborating with Infosys Limited, a global leader in consulting, technology, and outsourcing solutions, for the services offered under their Springboard Platform. Infosys Springboard, as a part of Infosys CSR, is an initiative to expand digital re-skilling. This initiative provides a curriculum-rich virtual platform that delivers corporate-grade learning experiences, on any device, with closer educator-learner collaboration for students. This, alongside formal education, fully aligns with India's National Education Policy 2020.

The courses listed under the Springboard Platform can be availed by students of TISS-SVE from the different skill-sector programmes. The assessment formats follow are new-age ready with certification for learners who pass the virtual proctored examination. This learning program is particularly well-suited to grow vocational skills, in addition to soft skills, and prepare the students for emerging jobs and career opportunities.

Collaboration with Lenskart: Lenskart joined hands with TISS-SVE as a Skill Knowledge provider in the academic year 2021-22. The School has 74 diploma holders across India pursuing a Bachelor in Optometrics programme, and they are enrolled to the Advance Diploma level 6 of B. Optom programme as a Lateral

Entry. Lenskart has collaborated with TISS SVE to upskill its existing employees.

Collaboration with HCL Foundations: As part of its Skill Development & Livelihood initiative, HCL Foundation has proposed the project 'Uday' with TISS-SVE under its IT-ITES (Information Technology Enabled Services) skill sector. This project aims to improve and enhance the IT skills of underprivileged youth through appropriate vocational training programs by establishing a skill ecosystem. Students who completed 10+2 or equivalent will enrol in this one-year Computer Applications Diploma programme. HCL Foundation will be sponsoring the fees for the students enrolled for this programme.

Collaboration with TATA Power: Tata Power is one of India's largest integrated power companies, present across the entire power value chain of conventional & renewable energy, power services, and next-generation customer solutions, including solar rooftops, EV charging stations, and home automation. TISS-SVE and Tata Power joined hands in 2021 to provide internship opportunities to students pursuing B.Voc. Renewable Energy Technology. 22 students were placed in 5 locations for on-the-job training, namely in Dholera and Raghnesda (Gujarat), Chhayan and Jetsar (Rajasthan), and Kasargod (Kerala).

Collaboration with Maruti Suzuki India Ltd.: TISS-SVE has collaborated with Maruti Suzuki to offer an Industry Integrated Undergraduate programme - the Bachelor of Vocation (B.Voc) in Retail Management with a Specialisation in Automotive Retail. The Agreement Signing Ceremony took place on 28 September, 2021.

TISS has always been a front-runner in innovations in education and field-based learning methods, and collaborating with Maruti Suzuki, a trusted brand with a long history in Automobile Industry, is a very important step in the commitment of the Institute. A stipend will be paid to the students through the 'Earn-while-Learn' model of the vocational education programme.

Fees Sponsorship through CSR funding: Aprava Energy (CLP) and HCL Foundations joined hands with TISS-SVE to offer scholarships to more than 2000 students. This scholarship was extended to students from Healthcare, Education, Renewable Energy, and Dialysis Technology sectors.

Placements

The TISS-SVE is constantly working on giving the platform to the students to acquire industry-relevant skills through On-the-Job Training and Skill-Sector Domain Theory training which makes them *Job Ready*. In 2021 (between June and July), TISS- SVE placed

960 students in various sectors. 175 students applied for Higher Studies after completing their B.Voc. Programmes, and 52 started their entrepreneurial ventures.

CENTRE FOR DEVELOPMENT PRACTICE AND RESEARCH, PATNA

Established on 6 March 2016 as an independent Centre of the Mumbai campus, the Centre for Development Practice and Research (CDPR), Patna, made significant progress during 2021-22. Despite a raging pandemic throughout the large part of 2021-22, the Centre remained active, shifting to online activities wherever offline work was not possible. Nevertheless, field-based studies were conducted in several districts such as Araria, Madhubani, Darbhanga, Bhagalpur, East Champaran, Supaul and Gaya in Bihar, Kushi Nagar and Gorakhpur in Uttar Pradesh, and Mumbai in Maharashtra.

The CDPR faculty participated in various (online) national and international conferences, seminars and symposiums – presented their papers, participated as discussants, or chaired sessions. The faculty delivered invited lectures, organised online events in collaboration with different networks, participated in public discourses as panellists and as guest faculty in faculty induction as well as UGC refresher courses, participated in book discussions, reviewed research papers for journals, wrote learning modules for different universities, participated in selection panels, and contributed to academic bodies as their members. During this period, one of the faculty, Shashank Chaturvedi, was conferred affiliation to the School of Anthropology and Museum Ethnography, the University of Oxford, as a Research Affiliate from 11 November 2021 until 30 November 2023.

During the year, six short-term courses were conducted. Overall, 11 lectures were organised. Of these, one short-term course and one lecture were organised offline. The year has also been very productive as far as faculty publications are concerned. Admittedly, some activities had to be abandoned, curtailed or restricted due to the devastating impact of the second wave of the Pandemic. Some faculty and staff suffered from COVID-19 infection as well as 'Long COVID'.

Collaborations

1. For the study entitled "Safe Migration from Bihar: Patterns, Policies and Challenges", apart from using the regular research grant by the Takshila

Educational Society, an amount of Rs. 750,000 was received from the International Justice Mission. The final output of the study will be published by August 2022 in the form of a report with policy and implementation-oriented recommendations.

2. The Centre collaborated with the Kedar Das Institute of Labour and Social Studies, Patna, to organise a training course for trade union organisers working in the informal sector in Bihar.

Faculty's Individual Research

The Centre's faculty carried out their research as per the annual research plan.

- i. "Production Relations, Technological Change and Migration among Weavers in Bhagalpur, Bihar" (Dr. Charvaak Pati).
- ii. Nepali Migrants in Gorakhpur (Dr. Shashank Chaturvedi)
- iii. Impact of COVID-19 on Electioneering in Eastern UP (Dr. Shashank Chaturvedi).
- iv. Impact of COVID-19 on Indian Labour Migrants to GCC countries (Dr. Rakesh Ranjan).
- v. Analysing Census 2011 with Respect to Migration (Dr. Pinak Sarkar)
- vi. Research monograph on "Economic Returns to Migration in India" (Dr. Pinak Sarkar).
- vii. Revisiting Jitwarpur: Understanding the Changes in Agrarian Relations during the last 10 years (Prof. Pushpendra)
- viii. Safe Migration from Bihar: Patterns, Policies and Challenges (Prof. Pushpendra)

Short-term Courses

The Centre has been organising an advanced orientation course on Migration since 2017. During 2021-22, the Centre organised five online courses for researchers and one for trade union activists.

- Academic Writing Workshop. 2, 5, 8 and 17 August 2021. [Faculty Coordinator: Pushpendra. Resource Person: Prof. Savyasaachi]

- Labour and Migration during the Time of Globalisation. 14-17 December 2021 [Faculty Coordinator: Pinak Sarkar]
- The Political Economy of Trade Union Movement in India. 6-9 January 2022 [Faculty Coordinator: Charvaak Pati]
- Doing Research on Religion in Social Sciences. 19-22 January 2022 [Faculty Coordinator: Shashank Chaturvedi]
- International Migration from India and Indian Diaspora. 07-10 February 2022 [Faculty Coordinator: Rakesh Ranjan]
- A Course for Trade Union Workers and Leaders. 26-28 February 2022 [Faculty Coordinator: Pushpendra]

Public and Memorial Lectures

i. Lecture Series on Justice: The Centre has been organising a Lecture Series on Justice since 2017. So far, the Centre has organised nine lectures in the Series, of which three lectures were organised in 2021-22.

1. Lecture 7 by Prof. Md. Sajjad (Centre of Advanced Study in History, Aligarh Muslim University, on 12 August 2021): "Polarising the Socio-Political Space and/amidst the Pandemic."
2. Lecture 8 by Dr. Hilal Ahmed (Associate Professor, Centre for the Study of Developing Societies, on 14 February 2022): "The Ideas of Justice and Politics of Victimhood in India."
3. Lecture 9 by Dr. Sumeet Mhaskar (Associate Professor and Associate Dean-Academic Affairs) at Jindal School of Government and Public Policy, OP Jindal Global University, on 19 April 2022: "The Caste Question and the Working Class Movement in India."

ii. Lecture Series on Migration: The Centre launched a Lecture Series on Migration in 2017. Of the total 20 lectures on migration organised so far, three lectures were organised in 2021-22:

- (a) Lecture 18 by Prof. Binod Khadria (Former Professor and Chairperson at the Zakir Husain Centre for Educational Studies, School of Social Sciences, Jawaharlal Nehru University) on 15 July 2021: "Will

the Post-COVID-19 Global Migration of High-skill Labour Immiserize the Global South?"

- (b) Lecture 19 by Dr. Mythri Prasad-Aleyamma (Post-doctoral Fellow, Center for Place, Culture and Politics, Graduate Center at the City University of New York) on 2 December 2021: "Ethnic Wage-welfare Complex: Migration as a Lens to Understand Capitalist Landscapes in India."
- (c) Lecture 20 by Prof. Raul Delgado Wise (Director and Founder of the Doctoral Programme in Development Studies at the Autonomous University of Zacatecas), on 11 January 2022: "A Southern (Latin American) Perspective on the Theory and Practice of Migration and Development."

iii. Hetukar Jha Memorial Lecture: The Fourth Hetukar Jha Memorial Lecture was delivered (online) by Dr. Parul Bhandari, a sociologist and former Associate Professor of Sociology at O.P. Jindal Global University, Sonapat, on "Mythical Love and Conjugality in Everyday Life: Gender and Politics in India" on 5 March 2022.

iv. Special Lecture and Book Release Function on 8 April 2022 [Offline mode, Patna]

This was the Centre's first major programme in physical mode after a gap of more than two years. On this occasion, Prof. Asha Hans, Director of Development Research Institute, Bhubaneswar and former Professor of Political Science and Founder-Director of the School of Women's Studies, Utkal University, delivered a special lecture entitled "The Gendered Impact of Migration in the Pandemic." On this occasion, five books, authored/edited by the Centre's faculty, were also released.

v. Special Lecture (Online): Reading Gail Omvedt (1941-2021) on 4 October 2021

The Centre organised a public lecture in the memory of Gail Omvedt, a prolific writer whose academic and activist career spanned a vast spectrum from the early 1970s to the second decade of the 2000s. Renowned sociologist, Prof. Kalpana Kannabiran (Former Director, Council for Social Development, Hyderabad), delivered the online lecture.

vi. Discussion (online) on a Paper "Harparauri: An Extinct Ceremony for Women in the Bhojpuri World" on 26 October 2021

The Centre organised a discussion on a new paper (in Hindi) by Dr. Dhananjay Singh (Assistant Professor, Dr. S.R.K. Government Arts College, Yanam, Puducherry). His paper explores the socio-cultural history of Harparauri, a now extinct ceremony once observed by women of the subaltern farming communities in the Bhojpuri region of India during colonial times to bring on rains in times of famines.

vii. Book Discussion. 24 January 2022. [Online]

The CDPR organized a discussion on a book titled *Liberalised India, Politicised Middle Class and Software Professionals*, authored by Dr. Anshu Srivastava (Associate Professor, Department of Educational Administration, NIEPA). This volume explores the evolution of the middle class in India and goes on to trace the emerging new middle class. The presentation was followed by comments by two discussants: Prof. Manish K. Jha (School of Social Work, TISS Mumbai), and Dr. Charvaak Pati (Assistant Professor, CDPR).

Research Output of the Ethnography Researchers' Team based in Miyan-ke-Bhatkan, Siwan

The Centre had stationed a team of researchers to conduct an ethnographic study of a Gram Panchayat *Miyan-ke-Bhatkan* in the Siwan district of Bihar. The team started work in late 2017 and worked until October 2021. The team, based on its observations in the field and participation in the social life of the panchayat, has written detailed narratives. Overall, the narratives have been collected in four volumes, with the possibility of adding a fifth volume. This series of publications is named "Miyan-ke-Bhatkan ki Kahaniyan". Two volumes have been submitted for publication to Aakar Books, while editorial work on the other two volumes continues.

Journal of Migration Affairs

The journal has completed four years of publications with a total number of eight issues. The September 2021 issue was devoted to "Migrants and Partition" as its thematic focus on the 75th year of India's painful Partition and its legacy. The March 2022 issue explores the literary genre of writings on migration. The theme is titled "Migration in Literature".
