Department of Social Work - CHRIST (Deemed to be University) Bangalore

The Department of Social Work at CHRIST (Deemed to be University) was started in the year 2004. The department offers two Post Graduate programmes, Master of Social Work (with two distinct streams - Clinical and Community Practice, and Human Resource Development and Management) and a Master of Science in Sustainable Development, respectively, along with a program on PhD in Social Work.

The department has been ranked 6th in the 'Top Master of Social Work (MSW) Colleges in India 2026' by India Today.

Tata Institute of Social Sciences (TISS), Mumbai

Tata Institute of Social Sciences (TISS), Mumbai, is a premier social science university in India, established in 1936. It was founded with the aim of promoting social work education and research to address social and economic challenges.

TISS offers undergraduate, postgraduate, and doctoral programs in social work, public policy, management, health studies, education, and related fields. The institute is known for its strong emphasis on social justice, community engagement, and research-driven policy development.

International Consortium for Social Development

The International Consortium for Social Development (ICSD) brings together scholars, practitioners, and students from social work, welfare, and development studies. ICSD advances social development processes that strengthen community capacity and promote social, economic, and environmental well-being worldwide.
