

Vacancies for the multiple posts at iCALL Psychosocial Helpline, TISS

About iCALL: iCALL is a Field Action Project of the School of Human Ecology, Tata Institute of Social sciences. iCALL was established in September 2012 with the objective of providing accessible, affordable and quality counseling services to individuals in distress; particularly those who belong to marginalized communities. iCALL is a national-level telephonic and email-based facility that offers free counseling services to individuals in distress across the lifespan. This multilingual, free and confidential service is run by trained professionals who provide information, emotional support, therapeutic services and referral linkages.

Apart from service provision, iCALL also conducts research, capacity enhancement and awareness generation activities in the area of mental health in collaboration with State Governments, civil society organizations and international organizations such as UNOs.

iCALL is currently recruiting for the following positions for a project addressing issues of gender-based violence through capacity enhancement, research and content creation.
